Telescopium Medical Report

DATE

20 January 2021

PATIENT ID

xg438q

HOSPITAL

Panmed Clinics

SUPERVISION

Dr. Samuel I. Emmanuel

SNAPSHOT OF PROJECT

Activity	Status	Confidence
Right Eye	The eye looks good, there are no signs of being affected by a non-communicable disease.	85%
Lift Eye	There are some areas that indicate high blood sugar levels	92%

STATUS SUMMARY

It seems that the ground truth indicates that the patient suffers from diabetes type 2, you can verify that by conducting more tests or by looking at the family medical record.

OVERVIEW
